Casual square dance attire would include Polo Shirts or T-Shirts with square dance symbol with shorts/capris/skirts/slacks. (Not to be mistaken with short shorts or short skirts) We are there to promote square dancing.

If you don't have square dance attire or casual square dance attire, matching shirts or shirts of same general color would also be appropriate.

The idea is to let spectators see the beauty of square dancing and to be able to identify couples as they move through the squares to the different calls.

Hope you are able to attend the demos.
