

January 2020

Fellow New Dancers,

The new lesson session begins Tuesday January 7th. Same time same place.

This 14-week session lasts through April 14th.

During this session, Ken will be going over all the basic and mainstream calls you were introduced to in the first session. He will also introduce you to the remaining 8 mainstream calls. I have attached the list of calls you were taught and the 8 remaining calls.

You will also be introduced to the Plus calls. Good news! There are only 30 Plus calls which are mostly made up of combinations of the basic and mainstream calls you are already familiar with. How sweet is that.

Also, during this session, you will have the opportunity to attend Village Squares Club dances at no charge. BE OUR GUEST.

The first dance in 2020, is February 1st 8:00 PM – 10:00 PM. You will be joined in a square with fellow club members and dancing the Mainstream tips. The dance format is to alternate mainstream and plus tips.

At this dance, there will be more emphasis on Mainstream tips because this dance is designated as “New Dancers Valentine Dance”. Ken Burke will be calling the dance.

Ken is also planning another Basic/Mainstream Blast in January which would be an opportune time to get ready for the February dance. The Blast in December was a big success and those who attended are looking forward to attending the January Blast.

The best date for the Blast is Saturday January 18th with a backup date of the 25th.

Please let us know if you are interested in attending the Blast and if the 18th works for you or possibly the 25th.

Hope to see all of you at lessons on Tuesday the 7th.
